

**CANDIDATE FOR CITY COUNCIL MEMBER  
CITY OF COLTON**

**NAME: RICHARD DE LA ROSA**

**AGE: 42**

**OCCUPATION: Correctional Peace Officer**

Dear Residents of Colton :

My name is Richard DeLaRosa and I seek your vote for re-election. I have served as your councilman since 1998, the experience and tenure of service has allowed me to bring forth and complete a number of projects throughout the district over the past eight years: traffic signals on Rancho Avenue, Laurel Ave, and Johnston Street, and assisted in establishing a pre-school site in our neighborhood. It is with great pride that I ask you for your vote and seek the opportunity to continue to serve the people of district 2 and the people of Colton at Large.

With your support, the noted accomplishments have been made since elected to the City Council.

- McKinley Park Improvements
- Beautification of Rancho / Mill / LaCadena Ave Intersection.
- \$3 Million Waterline Replacement Project to improve water quality.
- Soccer Field Lighting for our youth at Colton middle school.

I seek re-election to chart the course of Colton's future with sound leadership, address our challenges, effective decision making and innovative solutions for the district and the City. My work has not been completed; with your vote progress will continue. Thank You for your past support and look forward to serving you for another term.
